## **RAILS IN THE PARK**

On the morning of March 11, 2012, railroading enthusiasts met on 22nd Street near Alvernon Way and we began our motoring tour to various backyard railroad locations.

After the third stop we broke for lunch. Some having Pizza Hut, some having Subway and others having Chinese.

After lunch we continued on to more locations trying to take in as many railroad stops as we could before the 4:00 pm closing deadline.

We had twenty members, seven guests with eleven Model A's and one V-8.

The weather was great and everyone that attended seemed to enjoy the day.

On November 17, 2012 from 10:00 am—3:00 pm, the Club has been invited back to an open house at 4625 East Cerro de Aguilia. Which, if you remember, was the largest railroad layout on the tour.

Respectfully submitted
