## OCTOBER OVERNITE OUTING - QUEEN CREEK

A beautiful sunny day took us to the Sunnyside Up Café for breakfast with 24 Model A members, 2 guests and 5 Model A's. A little over two hours later we arrived at our first destination, the Queen Creek Olive Mill where we learned about olive growing in Arizona. We purchased many lovely things at the mill and upon leaving, we were able to turn around and say "I olive you, Olive Mill." Our next stop was the Pork Chop to sample and purchase items, then on to our hotel, the Hampton Inn. Dinner that evening was at Joe's Farm Grill. We not only ordered good food but someone must have placed an order for delightful weather to be enjoyed in the company of our fellow members. On returning to our hotel, Barbara generated a little excitement of her own by having trouble with her generator. But Chuck, Gary and Shorty generously offered their time and expertise to regenerate her new generator. The next day we arose early and met in the dining area for breakfast, then on to Schnepf Farms. At the country store at the farm, we were greeted with a nice selection of preserves, jellies, dressings and other assorted yummy condiments. We made the trek back to Tucson after a very enjoyable trip!
