Rails in the Garden Tour March 3, 2013

It was a beautiful, sunny day on March 3, when model railroad enthusiasts met at the Sunnyside Up Café on Oracle Road in Catalina for breakfast.

After a hearty meal, we caravanned to numerous locations and viewed many interesting yard layouts. One railroad layout was in a front yard rather than in a back yard and was built above ground and around numerous cacti.

We had seventeen people, and 9 Model A's on the tour.

A good time was had by all.

Respectfully submitted,

Bruce Edwards, Chairperson

Fellowship Square

Saturday, April 6, 2013, we had a car show at The Fellowship Square senior living home from 11 AM. to 1 PM. It was fantastic with 17 antique vehicles. There were plenty of people viewing our vintage autos. I sat with one lady that has lived there in the same apartment for 33 years. She told me she was now 96 , and wanted to say thanks to everyone for bringing out their autos. They offered hot dogs, hamburger sliders, cotton candy, and beverage.

Thanks to all that came out to support these events.
