*The Model A Ford Club of America
4th National Tour "A" Texas Spring
March 9th—14th*

Our Tucson participants (David & Molly Ramsower and Mike & Ann Liebert) successfully navigated this event and returned home healthy, wealthy, and wise (OK, how about healthy).

We experienced a lot of positive comradely, beautiful country, wonderful side trips and "reasonable" weather. It was frequently overcast and windy, but we never had occasion to use our Model A's windshield wipers. We trailered our As to and from this event (1850 total miles) with no problems. The one oops took place at a great Mexican restaurant (La Posta) in Mesilla, NM; the meals were outstanding however, the embedded jewelry store caught the ladies' attention.

Enough said, thus I removed the "wealthy" stated above. Ann Liebert displayed numerous pictures on her laptop in the refreshment area following our April meeting. Thanks Ann!

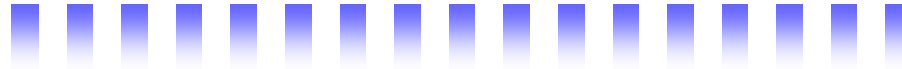

Speaking of pictures, there are a lot of Photos of the 2014 National Tour posted at the Golden Triangle A's web site: www.gta-texas.com .

RAILS IN THE GARDEN TOUR MARCH 9TH

A windy day accompanied the Tour on March 9th as 5 Model A's traveled through the Rails in the Garden Tour! Nevertheless, the tour was enjoyable as always! Thanks to Bruce Edwards for organizing the event!

Saturday, March 8th—Esmond Station School— Car Show

Our recent fund raiser took place in Vail Arizona on Saturday , March 8, 2014, from 10 AM. to 12:30 PM at the new School on Atterbury Way. It was a very windy day, but that did not stop the staff and the students as well as the public from looking at our beautiful model A's and one T. The Vail Preservation Railroad Festival sponsored us and provided us with a great lunch. We ended up with 8 antique vehicles. Thanks to our members that came out to support our club and this function.
