Breakfast in the Park

Sunday May 22

I, for one, sure am happy I live in Tucson. It was a beautiful day (do we ever have a bad one?) for our club's breakfast in the park. For starters, we had coffee, juice, donuts and fresh fruit, followed by scrambled eggs, bacon, sausage and flapjacks. I want to thank all the guys who helped prepare it — again you outdid yourselves — thank you.

We had 76 members and several guests, two of whom were from Denmark — Margaret and Angela. All ladies in attendance received a red rose. We had 20 A's, 8 T's, 4 V8's and 7 miscellaneous cars. Thanks to all who came and made it a success, and who hopefully left with a full belly.

Thanks again,
Jim and Sally Beebe

TUCSON ESTATES MEMORIAL DAY PARADE

It was another great morning in the Old Pueblo to be out on uncrowded streets and motoring to a Memorial Day Parade in our Model A's and T's. The Tucson Model A Club, as always, was a hit with the parade viewers. Thirteen Model A's and 3 Model T's participated in the parade. Thanks to Sam Logan and Linda Willmore, Fred and Laura Zumwalt, Ray Feierstein, Tom

and Connie Carr, Rich Whalen, Shorty and Isabel Allison, Dave Ramsower, Frank Pyrdeck, Gary Roberts, Tom and Kathie McWilliams, Ron and Pat Jensen, Scott Parsons and Ron and Jane Uhle for supporting the Memorial Day observance with the theme "Remembering Those Who Served".

Thanks also to Sam for providing pictures of the event to the club membership.

Respectfully submitted,
Ron Uhle

RASPBERRY - Voluptuous Vanilla

(Bernice Edwards' prize winning ice cream 2015)

- 2 – 14 oz. cans Eagle brand sweetened milk
- 2 milk cans of water
- Few grains of *table type salt* – not a shake *
- 6 eggs, beaten
- 2 pints heavy whipping cream (4 ½ pints heavy cream = 4 cups = 1 quart)
(can vary with half & half, or part half & half and part heavy cream)
- 2 TBS vanilla (or almond or any flavor) extract
- To Freeze: 20# crushed ice & 5-plus cups ice cream SALT (mine is a 4# box)

1. Combine condensed milk, water and salt* in top of double boiler (smaller pan sitting in larger pan of water on stove top). Heat over simmering water about 5 minutes – whisking occasionally.
2. When mixture is hot, beat smooth with a wire whisk or rotary beater.
3. Beat a little hot milk mixture into the beaten eggs, and pour that mixture into the double boiler milk mixture – slowly, so the eggs don't cook.
4. Cook about 5 minutes, whisking OFTEN, until slightly thickened. It will thicken more as it cools.
5. Remove pan from heat, cover & chill in refrigerator several hours (or overnight).
6. Stir in cream & flavoring. **

**This is where you can go in any direction you choose – or let it stay an awesome voluptuous vanilla. I used any combination and quantity of fresh raspberries, frozen raspberries and raspberry puree mix. You may also add nuts. The prize winning ice cream had chopped nuts.

My technique for adding the raspberries, because I like some small bits of raspberry: I use a blender and pour some of the chilled custard mix and some raspberries and blend until it looks right. Whole raspberries can be added as you pour it into the tub to freeze it. I also prefer the nuts – any kind – rather small, but it is your choice. It may never turn out the same way twice, but it will still be DELICIOUS and folks will LOVE it!

Pour into ice cream tub and follow ice cream maker's directions. If you want my technique or have questions, just call me at 751-1226 & ask!

Raspberry seems to be the favorite flavor, but try it with chocolate or peaches and almond flavoring or strawberry or just about anything!

2016 MAFCA National Convention

And away we go! Well, almost. By the time you read this paragraph, eight (8) families of our Tucson Chapter will be making the final adjustments to their cars, tow vehicles and trailers before heading north to Loveland. We expect to join over 525 Model A's (and of course their owners) now signed up for the convention. This MAFCA National

Convention, set for June 19 – 24, will be hosted by the Model A Ford Club of Colorado and will take place in Loveland, Colorado.
