Tucson Model A Club Overnighter

Friday October 28 - Sunday October 30

A total of thirteen couples in 9 Model A's, 1 Model T and 3 modern cars ventured down to Fort Huachuca, Sierra Vista, Bisbee and Tombstone on Oct 28th, 29th and 30th. The trip totaled about 300 miles and other than a few wrong turns by the leader on the base, a slightly broken exhaust pipe behind the

muffler and some minor mechanical issues, the tour went as smoothly as one could expect. No one had to use Scott's trailer and be taken back to Tucson or even forage through the Club parts box.

On Friday morning 8 Model A's and 1 Model T (on a trailer) met in Vail and left for Sonoita. We stopped for lunch at The Café in Sonoita and then headed to Fort

Huachuca to tour the Military Intelligence Museum and the Fort Huachuca History Museum formerly known as the "Buffalo Soldiers" Museum. Both museums are well worth the time to visit them. (First factoid, Fort Huachuca has been testing drones since the 60's and several are on display in the Ft Huachuca History Museum Annex).

Friday October 28 - Sunday October 30

Many soldiers and civilians stopped by the cars to ask questions and get a closer glimpse. Pictures of the cars on tour on the base were posted on the Fort Huachuca website shortly after our visit. On Friday evening several folks drove in from Tucson and we had dinner at the restaurants near the Fairfield Inn in Sierra Vista.

On Saturday, 9 Model A's, the lone Model T and 2 Modern cars got an early start and met at the Visitor Center and Underground Mine Tour office in Bisbee. We drove down to the Lavender Pit Overlook and had a group picture taken. (Second factoid, the Lavender Pit was not named for its color which is mostly Lavender, but for Harrison Lavender, A VP for

Phelps Dodge who conceived and implemented his plan to mine the previously uneconomic low grade ore in the pit).

Several of us drove down through Lowell to see a collection of mostly 50's & 60's vintage cars parked along the street and then on to Warren to see the Warren Baseball Park which was constructed in 1909 and has been in continuous use since that time. (Third factoid, Warren was the first Master Planned

Community in the US). After mostly window shopping, lunch, and visits to other attractions such as the Bisbee Mining Museum, we headed back to Sierra Vista in the early afternoon and later had

dinner. Some folks returned to Tucson late Saturday afternoon and on Sunday morning.

On Sunday a group of 5 Model A's and 2 Modern cars headed to Tombstone, where we toured the historic Tombstone Courthouse and walked up and down Allen Street. Several of us also took a self guided tour of the infamous Bird Cage Theatre. After an interesting group lunch listening to "real live Country" music at Big Nose Kate's, a real cowboy bar, we headed back to Tucson in the afternoon.

In summary, I think the consensus is we all had a great time on the tour.

SUNRISE SENIOR LIVING CAR SHOW

SATURDAY OCTOBER 15

Hello Model A'ers and T'ers,

The fund raiser at Sunrise Senior Living on Saturday, October 15, 2016 was a great success. We had 12 antique vehicles from 9 AM to 1 PM. We had a few members who signed up and just forgot to show up. In a way it worked out for the best, as they only had enough steaks for the 12 of us. The staff dressed in period clothing and they looked fantastic. The residents of the establishment and their families just loved talking and taking pictures of the antique vehicles. They were amazed with Tom and Connie Carr when they were told they had been married for 65.5 years. The weather was just perfect and not too warm. I hope everyone had a good time there. They want us back next year. Thank you all for bringing your antique vehicles and your support for the club.

Dillinger Days Car Show Saturday January 21

Hello Model A'ers and T'ers,

Our Dillinger Days Car Show is coming Saturday January 21, 2017 from 9 AM to 4 PM, so get your vehicles ready. We are going to need 50-plus vehicles. Please let me know if you are planning to come with an antique vehicle 1900 - 1935 (even though they caught Dillinger in 1934). More details to follow. This is our best fund raiser and a lot of fun. If you have not signed up, plenty of room, not to worry. As long as it rolls, we can get a head count. Also looking for one more vehicle for getaway reenactment.

Thank you,
Ray Feierstein 😊
531-9724

P.S. If you must leave early, park on Congress Street, up to 6th. This also helps the event to look like it did in the 30's. 😊

Sahuarita Pecan Festival

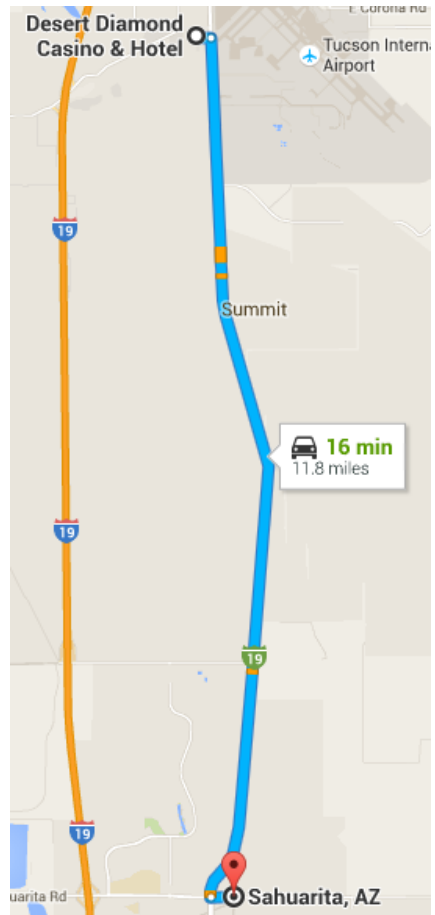

Saturday November 12

The Sahuarita Pecan Festival is Saturday, November 12. We will be meeting at the Desert Diamond Casino on Old Nogales Highway at 7:45 AM and depart for the festival at 8:00 AM. A parking area at the festival has been set aside for Model A and T members, with no parking fee for antique cars. Antique cars should remain until at least 3 PM. If you plan to take a modern car, you will be provided with a parking pass. If you have not noted on the signup sheet at the meetings that you need a parking pass, please contact Sandy and Ray Feierstein via email (sanrays@msn.com). At the festival, Rey Brown will lead the modern cars, and Ray Feierstein will lead the antique cars.

Members are welcome to stay at the festival as long as they wish. Lunch plans are open ended. There will be numerous food trucks available at the site, or members may also choose to go to the Desert Diamond Casino in Green Valley.

The festival has a main stage with bands, a heritage tent with native food crops, photos, and Native American basket weaving. Other activities include tractor pulls, a horse parade, riding demo, a children's area, and of course many other fun happenings. Wagon rides through the orchard will also be available for a minimal charge per person or free with non-perishable food items for the food bank. Pecans are also available for purchase — a great way to support local merchants. We are looking forward to a having a nutty good time.

Respectfully submitted,
Ray and Sandy Feierstein
