Saguaro National Park — West Drive Thru
& Lunch at “Joe’s Museum” October 30, 2021

On a beautiful morning, October 30th, fourteen (14) Model A's and six (6) Model T's, plus several modern cars with forty (40) members and guest took to the road for a drive over Gates Pass and thru Saguaro National Monument — West.

The photos taken on the downhill side were taken by a brave soul, Chuck Thim, he went out ahead of the group to get the great photos, I think he said a lot of prayers that everyone's brakes were in good working order, and they were.

Saguaro National Park — West Drive Thru & “Joe’s Museum”

Little did he know but
this young man lost

something on his way
to the parks Welcome
Center, his spare tire.
Fortunately the pick-up
following him saw it roll
down a wash and was
able to retrieve it for
him.

After a short break at the Welcome Center we continued our tour to Joe’s American Auto Experience Museum. We were able to tour the facility and see some of the progress that has been made and some of the cars that will be on display in the museum. We had a good lunch complete with the side dishes and desserts that the members brought.

A good time was had by all... Joe and Kelly Findysz
