Breakfast at Millie's

Sunday August 22

It's almost hard to believe that it's been two years since we got together at Millie's Pancake Haus for one of their delicious breakfast. The biggest challenge for those attending was deciding what to have! Thirty-

two folks were in attendance with ten Model A's, four Model T's, one 1950 Ford Convertible and a variety of modern cars. Many folks stopped by to look at the cars parked along Tanque Verde. It's safe to say no one went away hungry and several took a box home for another meal.

We were saddened to learn of the passing of member Hearold Montgomery on August 15th, 2021. Hearold and his family have been involved with Model A car clubs since 1968, and have been members of

our club since 2018. Their son Allen is also one of our members.

Hearold served in the Navy for two (2) tours during WW II about 1941.

He and Shirley were married in October 1946 and embarked

upon a journey together that lasted nearly 75 years.

A memorial service was held on Saturday, September 11th at Tucson Meadows Mobile Home Park. Several club members drove their Model A's in tribute. We send our heartfelt condolences to Allen, and all of their family members.

Now just imagine this roadster was brought home in pieces and boxes, carried down to the basement and restored there. Three years later, upon completion the wall was removed and the roadster was driven out.

Overnight Trip to Globe

The tour will leave the parking lot just of the

paved north

POSTPONED UNTIL
SPRING OF 2022

Sunnyside Cafe in Catalina at about 9:30 AM. We will follow Arizona 77 past Oracle and Mammoth, 36 miles to our first stop at the Aravaipa Creek bridge. This is about where Aravaipa Creek joins the San Pedro river and is the site of several historical events. There are no facilities. Then we will proceed to Winkelman for fuel, break, checkup, and bathrooms. Following this, we will drive through the mostly abandoned mill and smelter towns of Hayden and San Pedro.

Returning to Arizona 77, we will continue north, stopping at the rest area at the top of Pinal pass (5000 ft) for a break and picnic lunch. We will then drive to Globe and the motel check-in. Dinner will be on our own at one of several excellent Mexican, Italian, and American restaurants close by. Apache Gold Casino has an excellent seafood buffet starting at 4 pm as well. Miles driven for the day should be 110.

Saturday morning we will take the walking tour of the Old Dominion Mine, mill, and smelter site (1880 to 1931). Walk as much or as little as you like, as it is a self guided tour. Following this we will visit the Besh-Ba-Gowah Archaeological Park and Museum. Lunch will be at La Casita Mexican restaurant. The rest of the afternoon we can visit the many antique shops and historical downtown, including the Gila County courthouse and jail. The Pickle Barrel is the best-known antique shop, and is famous for its Turquoise. Dinner is on your own with choices like Copper Bistro, Bloom (Asian), Judy's Cookhouse, La Casita, De Marco's (Italian) and more. Apache Gold Seafood Buffet is available as well.

Please just call me if you wish to come along. We would love to have you.
