Progressive Dinner - April 24, 2022

It was a beautiful day to go for a road trip, but it was even better because we were able to stop and eat along the way. We started off at Chrisie & Steven Moon's, the first stop with a good assortment of appetizers. The Moon's place was quite interesting, they had a pay phone, miniature horse, a chicken, fish and their 1912 Model T with a new top. They were fantastic host and a big thanks goes out to them for allowing us to visit their home

Progressive Dinner - April 24, 2022 - (Continued)

Our host for Stop # 2, the main course, was Richard and Frances Kunz along with their son, Chef David Ferrara who prepared the main course of pulled pork &/or pulled chicken tacos and beans.

ryone should have a basement. As we finished up we progressed on down the road to Stop #3 where Andy Neal and family were waiting on us.

The meal was complemented with various side dishes that some of the members contributed. There was plenty of shade, tables and chairs so you could eat and socialize with each other. Richard took us on a tour of his BIG backyard, his Model T garage that was built from salvaged material and his basement. Eve-

Progressive Dinner - April 24, 2022 - (Continued)

As I said earlier we progressed down the road to Andy's place, some progressed faster than others. Andy and his family were a fantastic and accommodated the whole group and we got to view his collection of very nice cars and speedsters and we got to see some new ones that have been added since the last time we were there.

What a way to finish up the tour, ahhhh

desserts!!! Approximately 46 attended and drove 14 +/- Model A's and 3 +/- Model T's

A good time was had by all!!!

Thanks to all three of the host family's

Christie & Steven Moon

Richard & Frances Kunz

Andy Neal & Family

Also thanks to everyone who brought the side dishes.

Rodders Days - April 23, 2022

The weekend got off to a good beginning with Rodders Days Car Show. Our club displayed 9 Model A's and 3 Model T's. It was nice to be in the shade of the solar panels.

Pima College took those that were interested on tours of the auto mechanic lab that has recently opened. What a difference in the facility than what was available to us when were younger. Chuck Thim won a trophy for his Model AA Fuel Truck.

Pima County Fair - April 30, 2022

Garage Space For Rent

Need a place to house one or two vehicles? I have a very safe & secure block-constructed garage that houses up to seven vehicles which has been rented to different Model A members in the last 12+ years. Two spaces have become available to rent if you, or someone you know, are interested. I can be reached at 520-790-4136, or you can leave a message and I will return your call to answer any questions, provide references, and set up a time for you to come see the garage. Betty Trimble (a long-time member of the Tucson Model A club)
