Items at the museum are the personal collection of Johnny Cloud. A long time Bard, California resident who began the collection in 1989. The collection includes cars, trucks, tractors, power tools, hand tools, household equipment, boat engines, wheels, items from local businesses including the old Bard Post Office, plus many more items too numerous to mention. The collection is vast, overwhelming, well organized, and incredibly impressive.

It is located 10 miles North of Yuma, Arizona,
Cloud Museum 1398 York Rd. Bard, CA, 92283
