A LITTLE BUSINESS

FIRST ANNUAL BANQUET
SUNDAY EVENING NOV. 29TH 6:30 P.M.
VAUGHN'S MONTEREY 6211 E. SPEEDWAY

This meeting is for all members. (Only this time we leave the little ones at home) If you know of any prospective new members, get them signed up now so they can take part in this once a year get together. If you have clothing of the Model "A" era, let's wear them, if not, just dress for an evening of fun.

Glenn Ford will show movies he took of the Casa Grande Tour.

Dinner will be served at 7:00 P.M. but let's all be there at 6:30. We have a private banquet room just for our group. It will be a complete dinner of filet steak with all the trimmings including dessert. Everyone pays for their own dinner which is \$3.55 per person. This includes tax and tip. Please park in the rear. Don't miss out on the door prize.

New members accepted now. Anyone joining now will be a member through 1965. Join now and get the extra benefits. Local family dues \$3.00. National dues \$5.00. Contact Harry Ribble, club treasurer, at 623-9512. His business address is 3318 N. 1st Ave. Stop in he would love to see you. (All those Model "A" parts on display are just to look at so he won't try to sell you any) Ha!

Look ahead to the Yuma Tour in April 1965. Hob Hubler of the Phoenix group was kind enough to extend an invitation to us so let's show them we can turn out in force for the big meets.

Big things are planned for our local monthly paper in 1965. George Musil and Sid Lynch are working on it now but we need a name for it. Bring your suggestions to the banquet and if it is used you will be rewarded with a valuable prize. (No, it isn't a rusty fender.)

Someone saw a freshly painted yellow sport coupe last week parked on a downtown street with the carburetor off and jets etc. spread out on the sidewalk.

Wonder what George Musil is getting for Christmas? Who is it that spilled the "beans" about those new cowl lamps? If looks could kill, we could be looking for a new Sec. Treasurer.

For those of you who wondered about that large coil of wiring that Lester Hunt carries around in the trunk of his car. It comes in mighty handy when the wiring burns up 30 miles from Tucson.

Sam Doty has not bought a "Model A" for over 45 days now. Only has 6 now. Things are getting rough now.

Barbara and Bob Friske after taking in our trip to Casa Grande by riding with the Glenn Jords have decided to pick up that 35th membership card. They are going all the way and are purchasing a RED Victoria coupe. Barb wasn't too impressed with the red color but they are already trying to choose another color. Congratulations!

Wonder what color the Baldwins are going to paint their coupe? It should be coming out of the paint shop soon.

By the time of our next outing we should have 3 or 4 "new" cars to look over. Lets all be out to see them at that time.

At the last board of directors meeting it was decided that ~~the~~ the present slate of officers would be retained with two exceptions. George Musil would fill in the vice-presidency for C. E. Roberts who can not attend meetings regularly due to his work commitments. Glenn Jord would fill in the secretary's post for Harvey Coburn who also has other commitments. The 5 members to fill out the board will be voted on at our banquet meeting on the 29th. If you have any suggestions of names to put on the ballot call Sam Doty.

President's Corner

I would like to thank each and everyone for making our tour to Casa Grande such a huge success. Those of you who couldn't make it missed a wonderful outing and a chance to get acquainted with the Phoenix Club. We are the only two active "Model A" clubs in the state and we are looking forward to meeting with the Phoenix Club again in the near future. Also, I would like to thank everyone for staying in line and helping to make our tour a safe one.

I received the Phoenix Club paper, "The Desert A" and would like to quote on what their club president Hub Hubler had to say about our meet with them. "I cannot praise them enough for the unbelievable turn out they produced not only in cars, but in costumes and enthusiasm. I want to convey our Best wishes for a successful and enjoyable club to them." Signed Hub Hubler.

We have 33 members in our club now, and are anticipating even more next year. If you know someone who has a "Model A" or is interested in "Model A's", invite them to join in the fun with us.

Hope to see you at Vaughn's November 29th.

Our thanks to Glenn and Elaine Ford for getting their "Model A", on such short notice, and joining Virginia and I in the University Homecoming Parade.

President

Sam Doty

P.S. If you have a suggestion for an outing or a meeting, call Harry, George or myself.
